Books & Paintings by Emily Eve Weinstein

Portrait artist and muralist, Emily Eve Weinstein has had a prolific career as a painter for over 30 years.

“Having worked as an artist my entire life, for just over a decade now I have put commissions on the back burner. Getting married at age 54 and coordinating the entire wedding, a daunting task; I declared if I survived I would do a project that documented my next 25 years: hence, the 25-year Handmade Book series. So far Volumes I through VI are completed, following the twist and turns of a life in the arts and every piece of art made within each perspective year. The series has really helped me to focus and encourages painting that follows my visual interests. This exhibit represents mostly the last four years and discovering beloved subjects. Every work in this exhibit is published in either a manufactured book or the 25-year Handmade Book series.”
